TUTOR UPDATE

Nick has made the decision to head back to full time teaching in mainstream. We will certainly miss him, but we wish him the best of luck

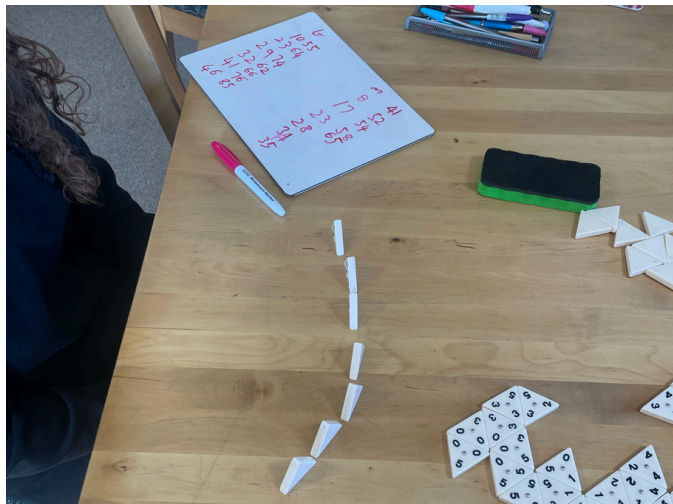

We have two new teachers joining us. Yasmin who teaches English, Geography, Sociology and Psychology to A Level. Yasmin also works part time at a local secondary school.

Sandra who teaches English on-line up to A Level. She also has qualification in Autism.

A very warm welcome to Yasmin and Sandra.

Nick is off back into mainstream, we wish him the best of luck!

Our students in their lessons, keeping score!

IN THE NEWS

In the news this month they have been talking about how unregulated tuition is.

We want everyone to be reassured that all teaching staff have a current DBS, are qualified teachers, and undertake regular child protection courses just like teachers in school,

Maria and Sandra are members of The Tutors Association and the Business is a member of the Federation of Small Businesses.
