July 2025

JULY NEWS AND UPDATES!

It is the final few weeks of the school year, the end of term is fast approaching and the summer holidays are just around the corner!

But that doesn't mean we are slowing down here at Maria's Tutoring Services, we have some bookings for morning sessions throughout August and there is still space if you would like to book.

As mentioned in our last newsletter we have started to take bookings for September already and as September is shaping up to be a busy month, we are asking all families to provide a one-week deposit to secure their tutoring slots. This helps us ensure availability and plan accordingly.
We thank you for your understanding regarding this.

Our last regular lessons are on the 18th July.

We would like to thank all our students and parents for their continued support throughout this academic year. We hope you (like us!) have had lots of fun whilst learning.

Enjoy your last few weeks of school and we are looking forward to seeing you during August, or in September as we kick off learning for 26/27

HOME ED TUTORING SESSIONS

We have had a fantastic uptake of our Home Education Tutoring Service.

We have already started taking bookings and we are keeping our classes to a maximum of 4 students. This enables us to adapt to the students attending, allowing us to give more attention where needed.

You can buy a block of sessions per month to be booked flexibly via our online calendar.

Sessions are delivered by qualified teachers who have an understanding of home education.

To book please see the link below or email us to find out more information.

MEET OUR NEWEST MEMBER!

Make sure you say hi to Penny next time you are with us, there is nothing more she likes than to offer you a big warm welcome at Maria's Tutoring Services

openawards

We can now offer **Science** and **Horticulture** qualifications through Open Awards.

These are portfolio based so no need to sit an exam!

Get in contact with us for more information and to book.
