JUNE NEWS AND UPDATES!

As we enter June and the last half term of the academic year, we will see many of our Year 10's finish their mock exams and Year 11's finish their GSCE's. Well done to all of you.

Now that we are an exam centre, we have online exams booked in for June and July through Open Awards and we can also offer the Speaking, Listening and Communication Assessment in house which can be sat on-line or in-person. If you would like more information regarding this, please do get in contact with us to discuss further, or check out the link on our Facebook Page to book exams.

Looking forward to 2025-2026 and we have already started taking bookings for September, for the current Year 10 students, with some students looking to start their lessons in the next couple of weeks.

It is never too early to start, so if booking lessons with us has been on your to-do list, please do consider getting in contact with us sooner rather than later.

A recent study has shown that private tuition demand has risen by 27% in the last 5 years and we hope that with our variety of offers we can meet all our students needs.
