

NEWSLETTER

May 2025

HELLO MAY!

Welcome to the month of May, a busy month for some of our students, with GCSE exams starting. Have a look at the bottom of the newsletter for some exam day hints and tips.

Our learning centre is now up and running!

All tuition from Monday 13th May will be at 128 St Osyth Rd West, CO16 9NY, where we will now have 3 new teaching rooms.

If anyone would like extra tuition over the half-term week Maria will be available for morning slots so make sure that you book early to secure your space.

And finally, can anyone who pays via BACS, quote the invoice number on the reference please, so we can allocate the payment to the correct invoice.

OPEN AWARDS

Last month, we were excited to announce that we are now up and running as a Functional Skills Exam Centre with the Open Awards.

And we do not hang around here at Maria's Tutoring Services, as we now have students enrolled and ready to sit their online exams over the next three months.

This really makes exams a lot more accessible for all students and we are delighted to be able to provide this service.

HOME EDUCATION TUTORING SERVICE

From September, we will be offering a home education provision where you can buy a block of sessions per month to be booked flexibly via our online calendar.

This will be delivered by qualified teachers who have an understanding of home education.

We are proud to be the only tuition service offering a flexible approach to this community.

GOOD LUCK EVERYONE!

Good luck to all our students ready to sit their upcoming exams.

We know this period can be scary, stressful, exciting, and everything in between.

Here are a couple of tips from those who have been in your position recently:
