AWARD WINNERS!

We were absolutely delighted to receive a Certificate of Excellence as **Dyslexia Tuition Specialist of the Year for London and the South East** at the Prestige Awards.

The Prestige Awards recognise small and medium-sized businesses that have proven to be the best in their market over the past 12 months, and we're honoured to be recognised among them.

During the presentation, Maria was asked what makes our approach unique. Her answer? **"I think it's attitude."**

And we couldn't agree more. It's our attitude that defines us, not striving to do grand things, but focusing on the small, thoughtful actions that truly matter. With care, consistency, and a smile, we aim to make a meaningful difference in the lives of our students.
