November 2025

NOVEMBER NEWS AND UPDATES!

It might only be November, but we think it's the perfect time to start talking all things Christmas!

Join us at the Frinton Tennis Club Christmas Market on 29th November.

We'll have a stall where you can stop by, learn more about what we do, and have a friendly chat. Plus, Anna will be there with her beautiful handmade crafts, perfect for unique Christmas gifts.

And that's not all! Some of our talented Year 11 students, currently working towards their Design and Technology qualification, may be joining us to showcase their amazing creations. We would love to see you there.

RADIO JUPITER

As winners of the Prestige Award, we're excited to share that we've been invited to collaborate with Radio Jupiter.

They're putting together a special advert all about us, and we can't wait for you to hear it. You can tune in to Radio Jupiter on Alexa smart speakers, just ask Alexa to play the station and enjoy - let us know if you hear our advert.

We love hearing this feedback from our students who are home-educated - showing that we creating meaningful experiences that help them feel supported, understood, and empowered.

Quote from a student
"Lessons are more fun here than school was. I am also learning more because no-one is messing about"
Home-Ed student Evie.
